Love your EXTREME variety of IBM pins....wish I'd known how many pins were available,when I worked for IBM....

Hello Manfred, It is really phantastic to go through your collection and what amazes me most is also the story behind. I've just a very modest collection and I'll send you some pictures of pins which are not in your collection. rgds. Paul

Remarks: Dear ex-colleague, research for the story behind a pin can be a tough job. Unfortunately, I do not always succeed. The information listed shall give rough ideas. Sometimes I set a link to similiar pins. Thank you Paul for your guestbook entry.

Your web site is what pin collecting should be, for fun and not profit. I will send to you the IBM Wireless! pin that is not listed in your collection. (Warning....it is not as pretty as the rest of your collection, but it is an IBM pin). Need your mailing address.

GREAT web site....I spent entirely too much time on it.

Remarks: Welcome Steve, it's wonderful that there are people like you who do not always see dollar signs in their eyes when offering a pin. I am sure that I will find s.th. pretty for you as well. Surf my site as long as you like to discover details you never heard about. :-)) New Year!

We traded a while back, but i forgot to write in your guestbook. How forgetful of me! Just came back to see what was new with your collection. Looks great. Too bad you still have not found that IBM Olympic Atlanta/Lillehammer 3 pin set that i have.

Sorry not for trade :(

Now that IBM is not an Olympic sponsor i doubt that i will get any more IBM pins. Sorry about that, but lets keep in touch!

Talk to you later.

Jay

Vielleicht hat auch jemand in Deinem Sammlerumfeld etwas zu diesem Gebiet.

Schon jetzt freue ich mich auf Deine Antwort.

Hallo Manfred,

many thanks for your e-mail, I just have visited your homepage a I must say:

"Well done !". You wrote me about two Porsche pins, is there any way to swap it, as you know I can offer you only pims regarding the automobile sector? Please give me a short reply...

Good luck and much fun with your job and your hobby !!!

Best regards

Marc Gerseker

Remarks: Marc - thank you for your visit. It seems you have the same problem as me and many others. You are collecting a special category but need to trade some other pins to get the pins you want.

I will look for pins...

Suggestions: use an own formular for email (look to my homepage), this will  
allow users without an active email account sending messages.

regards hpb

Remarks: Hi Peter, 'e-mail as an own form' will be set on my list for the next release...
